The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Dysart Public Works Maintenance Facility Renovation project in fiscal year 2025.

The entity to receive funding for this project is the City of Dysart, located at 601 Wilson Street, Dysart, Iowa 52224. This project would take place at 713 Wilson Street, Dysart, Iowa 52224.

This funding would be used to construct a new public works facility to safely hold equipment for the city's water treatment efforts, road maintenance, and snow removal equipment. The city's current public works facility has a structurally deficient roof and contains black mold, forcing essential equipment for the city to be moved to temporary facilities. This project is an appropriate use of taxpayer funds because it will provide a safe and secure facility for public works equipment to serve Dysart's 1257 residents.

This project has a Federal nexus because the funding provided is for purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Ashley Hinson

Member of Congress
Committee on Appropriations
