The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the 5th Avenue Gatewell and Pump Station Flood Mitigation Project in fiscal year 2023.

The entity to receive the funding for this project is the City of Cedar Rapids, located at 101 Street SE, Cedar Rapids, IA 52401.

This funding would be used to construct a gate and pumping structure and purchase flood pumps at the 5th Avenue Gatewell and Pump Station in Cedar Rapids. The purpose of this investment is to prevent the Cedar River from backing up and overflowing into the city. There is strong community support for this project.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Ashley Hinson
Member of Congress
Committee on Appropriations
