The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

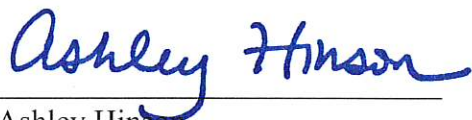

I am requesting funding for the Granger Creek Lift Station Improvements as a community project in fiscal year 2023.

The entity to receive the funding for this project is the City of Dubuque, located at 50 W. 13th Street, Dubuque, IA 52001.

This funding would be used to increase the capacity of the Catfish Creek Sanitary Sewer System by adding the Granger Creek Lift Station. This investment would increase the capacity of the sewer system to address the system's challenges without the added costs of installing new pipes and drilling. There is strong community support for this request.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Ashley Hinson
Member of Congress
Committee on Appropriations
