The Honorable Rosa DeLauro
Ranking Member

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Tama Clinic Modernization Project as a community project in Fiscal Year 2027.

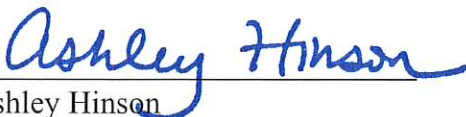

The entity to receive funding for this project is Mercy Medical Center, located at 701 10th Street SE, Cedar Rapids, IA 52403. This project would take place at 402 Siegel Street, Tama, IA 52339.

This funding would be used to expand an existing clinic to support primary care and urgent care services. This project would facilitate essential upgrades including engineering improvements, digital imaging technology, exam tables, and updated medical fixtures. This project is an appropriate use of taxpayer funds because the clinic will improve health care access in a county with no hospital or urgent care facilities, reducing travel demands for local residents and expanding access to preventative services and chronic disease management.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Ashley Hinson
